Entrance to Teacher Education

In response to Senate Bill 2188, MACTE recommends that MDE adhere to state law. Candidates entering teacher education must have an ACT of 21 or Pass Praxis Core at the national recommended score for admission to teacher education. A minimum sub-score is not in statute.*

David Rock
President, MACTE

Debra Burson
Secretary/Treasurer, MACTE

*Institutions have the right to impose minimum sub-scores if they so choose.
